

## Live Webinar – Commercial Liability Policies – how do they interlink?

**Duration:** 3 hours

**Delivery Method:** WebEx

**Maximum 10 delegates**

### **About the course**

This live on-line insurance webinar provides delegates with an overview of liability policies and how they dovetail together. It will be relevant to those seeking to develop their knowledge of liability insurances.

The course assumes that delegates understand how liability arises and focuses more on policy cover. Another course is available to learn how liability arises if required.

The course will include plenty of opportunity for discussion and relevant case studies and exercises.

The webinar will be highly interactive with delegate participation and engagement throughout.

There will be a maximum of 10 delegates.

This webinar will be delivered via WebEx.

The webinar is delivered by a Certified Online Learning Facilitator.

### **Course Content**

- Outline the cover provided by:
  - a public liability policy
  - a product liability policy
  - an employer's liability policy
  - a directors' and officers' policy
  - a professional indemnity policy
- Explain the typical liability policies needed by different organisations to ensure there are no gaps in cover.
