

Live Webinar – Introduction to Construction Insurance

Duration: 3 hours

Delivery Method: WebEx

About the course

This live on-line interactive course is designed to introduce delegates, who have some experience of general commercial insurance, to Construction insurance.

The course will be highly interactive with delegate participation and engagement throughout. This half day course consists of two 90-minute on-line sessions with a 15-minute break.

There will be a maximum of 10 delegates.

The course is delivered by a Certified On-Line Learning Facilitator (COLF) who is an ACII, Chartered Insurance Broker, with over 40 years insurance experience.

Course Objectives

Delegates who successfully complete this workshop will be able to: -

- Outline the scope of contract works insurance and the different ways insurers provide the cover
- Describe the standard structure and content of contract works and contractors liability insurance policies identifying some of the extensions available
- Describe the underwriting process
- Identify the information insurers require to assess and price risks
