

Live Webinar - Introduction to The London Market

Duration: 3 hours

Delivery Method: WebEx

About the course

This live on-line interactive insurance webinar is designed to introduce delegates to Insurance conducted within the London Market. The course also includes a brief introduction to how data and funds move across the market. It is suitable for people in non-insurance roles and those new to the industry.

The webinar will be highly interactive with delegate participation and engagement throughout.

There will be a maximum of 10 delegates.

This webinar will be delivered via WebEx.

The webinar is delivered by a Certified Online Learning Facilitator.

Course Objectives

At the end of the webinar delegates will be able to explain:

- How insurance started, and has since developed
- The role Lloyd's plays in the London Insurance Market
- The market bodies that operate within the insurance industry
- The roles of both the underwriter and broker and how the placing of risks occur
- The processes involved for placement and premium
- The need for reinsurance
- The processes involved for claims notification and payment
