LMT

LEVEL
Introduction

DURATION
90 mins

OBJECTIVES
- To better understand the meaning of cultural diversity and inclusion and its importance in the workplace
- To be aware of the effect that unconscious bias can have on an individual
- To have a greater knowledge of the key areas of diversity and inclusion
- To have an improved understanding of the impact that disrespectful or insensitive behaviour can have on an individual and the wider effects it can have on a workplace
- To take a look at the benefits of a diverse workforce
- To identify the type of culture and business that best embraces diversity and inclusion

INTRODUCTION
Having a culturally diverse and inclusive workplace can drive innovation and inspire individuals. Understanding how that can happen helps a company create a competitive edge as well as making their employees and clients feel positive and engaged.

This live on-line interactive webinar aims to create a safe space to talk about cultural diversity and inclusion in order to increase your awareness and understanding the subject within the workplace.

WHO THIS COURSE IS AIMED AT:
This is a course that will benefit everyone. Those in a large organisation will benefit from a better understanding of the part culture and diversity plays within the company strategy as well as those individuals who have any interaction with employers, employees and clients.

WHAT THIS COURSE WILL COVER:
1. What does diversity mean to you and your organisation?
2. What is cultural diversity and why is it important?
3. How much are we influenced by unconscious bias?
4. The key areas of diversity and inclusion (both legal and moral)
5. The positive impact of cultural diversity in the workplace
6. Identifying best practice of cultural diversity in the workplace
7. Diversity and inclusion in action
