

Live Webinar - Introduction to Directors' and Officers' Liability Insurance (Full Day)

Duration: 1 day

Delivery Method: WebEx

Maximum 10 delegates

About the course

This live on-line interactive insurance webinar is designed to introduce delegates, who have some experience of general liability insurance, to Directors' and Officers' Liability insurance.

The course will be highly interactive with delegate participation and engagement throughout. It consists of four units, two of which will be on-line sessions of up to 2 hours each with a break of approximately 90 minutes between the two sessions and the remaining two units will be offline.

The course is delivered by a Chartered Insurance Broker with over 40 years insurance experience.

Course Objectives

At the end of the webinar delegates will be able to describe:

- Who is covered by D & O Insurance?
- Where they are covered?
- How Directors can be liable
- The cover provided
- The principal exclusions
- The common extensions
- The main claims conditions

Course Content

- **Unit 1 - Pre-course reading**

This course requires an element of pre-course reading (approximately 15 minutes) which will be tested during the first on-line session. Delegates will be asked to send a typical policy wording to the trainer, which will form part of the exercise. If this is not possible an example will be provided.
