## OUR WEBINARS

We have a growing portfolio of on-line interactive insurance and business skills webinars. Our webinars are highly interactive and require learners to be involved, just as much as they would in a face-to-face session

## OUR TRAINERS

Most of our webinars are led by Certified Online Learning Facilitators (COLF), ensuring they are interactive and interesting. All of our Trainers are carefully chosen as experts in their field.

## HOW OUR WEBINARS ARE CONDUCTED

We use WebEx for the majority of our Webinars as we have found this platform easy for people to use, even if it's their first time using the software. However, we do provide a user guide for every delegate which they can refer to before attending.

If you have any questions regarding our live interactive webinars, please do not hesitate to contact us on Email: [mail@lmtraining.co.uk](mailto:mail@lmtraining.co.uk) or Tel: 01525 850086.
